

Jays Spirit Never Dies

celebrating 106 years of building futures

On September 4th, St. Edmund celebrated 106 years of service to Eunice and the surrounding communities. Over the last century, we have seen many changes: the growth of the community, new building structures, new programs, expanded curriculum and many new faces. Through all the changes St. Edmund remains dedicated “to being a Christ-like community by nurturing faith, fostering scholastic achievement, building on tradition and growing visionary leaders.”

With St. Edmund's priority to make a Catholic education affordable to the community, tuition is kept as low as feasibly possible. 106 years of instilling the love for learning and service to our Lord has taken a toll on our facilities.

10% of funds raised will be placed in the St. Edmund Foundation (only the interest generated is used to supplement salaries, financial aid, capital projects, etc); the remainder is dedicated to repair and maintenance of our facilities. The goal of this year's 1st Annual Giving:

- *Replace damaged/broken water fountains
- *Painting of Martel Memorial building (elementary building).
