# *ST. EDMUND SCHOOL*

## *Capital Campaign Exploration & Feasibility Process*

## *DISCOVERY SURVEY*

**Please Note:** School leaders, with the leadership of the Steering Committee, have created a proposed plan for the development of the following facilities: A new gym facility across the street from the old Gym with allowance for improvements to the old Gym. Proposal includes 3 Elementary classrooms and 4 High School classrooms. Proposed Cost $2.0 Million.

**Instructions:** As part of our Feasibility Study, we have created the following survey instrument that will lead the Steering Committee through the final steps of this Exploratory and Discovery process. Listed below are some key questions we invite you to answer. Your participation will greatly assist us in bringing this process to conclusion and moving on with what will be best for the school. Please take a few minutes to complete the following survey.
