

Annual Appeal 2018

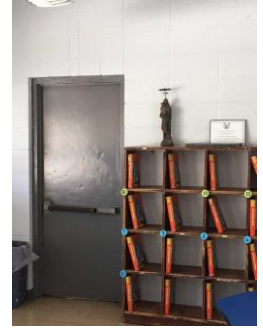

celebrating 107 years of building futures

Because of your generous donations, our first Annual Appeal of 2017 collected nearly \$11,000 dollars. 10% of the funds were deposited into the St. Edmund Foundation. The remaining funds were utilized to begin restoration projects on the elementary building.

The interior of all elementary classrooms were repainted and window treatments were replaced.

PTC and Advisory Board joined efforts and provided funds for the repainting of the front of the elementary building.

Building on the huge success of our first appeal, we are conducting our 2nd Annual Appeal. Funds collected from this appeal are dedicated once again to updating and maintenance repairs to the elementary building. With St. Edmund's priority to make a Catholic education affordable to the community, this appeal helps us to keep tuition as low as feasibly possible for our current families while still allowing us to conduct facility maintenance projects.

Project Goals:

- *10% of funds raised will be placed in the St. Edmund Foundation (only the interest generated is used to supplement salaries, financial aid, capital projects, etc)
- *Repainting 3 elementary exterior walls
- *Repainting courtyard
- *Reglazing windows
- *Replacing aging light fixtures with led fixtures
